

WEEK 14 QB STREAMERS

LOOKING FOR PLAYERS ON LESS THAN 55% OF ROSTERS IN YAHOO

1

TAYLOR HEINICKE - (WAS) - VS DAL

He played well last week, throwing for two TDs. However, he's also thrown an INT in back-to-back games. Facing a DAL defense that can create turnovers, I'm treating this as a boom or bust matchup. I anticipate that DAL will be able to score, so if WAS wants to keep this close, Heinicke will need to have a solid performance to have a chance. I would start in superflex leagues for the most part.

2

BEN ROETHLISBERGER - (PIT) - @ MIN

Coming off one of his better games of the season, he has thrown at least 200 yards and two TDs in three of the past four games. He is facing an inconsistent MIN defense that has given up more than 28 points in three consecutive games. I don't expect 300 yards or three TDs, but I'm confident that the floor is higher than other options listed here.

3

TAYSOM HILL - (NO) - @ NYJ

Despite the injury, the rushing ability provides a high floor that he should be streamable in good matchups. I anticipate a lot of short passes and trying to limit turnovers against one of the league's worst defenses. If Kamara returns, that would raise the upside and make him possibly top 12? It's tough because the injury hampered him against DAL.

4

JIMMY GAROPPOLO - (SF) - @ CIN

With Deebo injured, this is the last resort option. He was throwing for two TDs in four out of five games. He has been slightly underwhelming except for a few games. Facing an inconsistent CIN defense, I don't expect them to be able to stop the run and slow down George Kittle. So if I start him, I would anticipate 14-18 points and hope he gets a third passing TD.
