

WEEK 10 QB STREAMERS

LOOKING FOR PLAYERS ON LESS THAN 55% OF ROSTERS IN YAHOO

1

MATT RYAN - (ATL) - @ DAL

Rostered in about 56% of Yahoo leagues, I'm going to cheat again as he has been playing well, throwing for more than 330 yards and two TDs in three out of the past four games. He will be facing a decent DAL defense, but with Patterson and Pitts playing as well as they are, I'm willing to take a chance that they will be able to move the ball and a top 15 QB performance is not an unreasonable expectation.

2

TEDDY BRIDGEWATER - (DEN) - VS PHI

At this point, you guys must be sick of seeing him on here. Unfortunately, he's a good epitome of what you look for in streaming a QB for a spot start. He has thrown a TD in six consecutive games (more than one TD in three games from that span) and is a solid bet for 225 yards and no INT (three games with an INT). He doesn't have the week winning upside but provides a floor (15-18 pts) that will get you through the week.

3

BAKER MAYFIELD - (CLE) - @ NE

I'm not too excited about this recommendation, but he played well last week against CIN and now faces a good NE defense. Honestly, he is the last resort option and Taylor Heinicke in superflex leagues, but I am confident that Baker won't make as many mistakes. If I'm streaming him, I'm not expecting more than 200 yards and a couple of passing TDs and am grateful for my 15 points.

4

BEN ROETHLISBERGER - (PIT) - VS DET

I wouldn't be streaming him if it weren't for the matchup against a struggling DET defense. He has a few solid games finishing with over 200 yards and two TDs in two of the past four games. I don't anticipate this to be one of his best performances, but with a rough week for streaming options, he's a relatively safe bet for 16-18 points with some upside if DET can score as well.
