

# QB STREAM WEEK 3

09/22/2020

**These five QB are streamable options and currently are rostered in less than 60% of Yahoo leagues.**

## **RYAN FITZPATRICK - MIA @ JAX**

Nothing like swinging for the fences with a streaming QB option. Especially with Fitzmagic. This could backfire like Week 1 but I have faith that the JAX defense isn't on the same tier as NE & BUF. This is an upside stream for the brave and the believers.

## **RYAN TANNEHILL - TEN VS MIN**

Now, this match-up isn't that appealing; MIN defense is no slouch. However, they had trouble stopping the run last week against IND. After two good games, it's not unreasonable to project another solid game with 225 yards and 1/2 TDs.

## **GARNDER MINSHEW - JAX @ MIA**

After this game against an injured secondary, he should not be on this list next week. After two great performances, he's a great streaming option that should be on teams with deeper benches.

## **TYROD TAYLOR/HERBERT - LAC VS CAR**

Now the uncertainty at QB makes this my least favorite streaming option, but if the other three options above are gone, you could do worse than facing one of the league's worst defenses. This is a floor play with a low ceiling.

## **MITCHELL TRUBISKY - CHI @ ATL**

This is almost a repeat of last week against NYG. Another exploitable defense with the upside for a high scoring matchup. Plus ATL's offense will not allow him to hand the ball to Montgomery/Patterson 35 times.
