James Cook out-touched Devin Singletary and finished with a career-high in rush attempts (14) and targets (6). He also accounted for nearly 50% of the team's rushing yards averaging 4.6 yards per carry.

Stefon Diggs continues leading the team in targets and surpassing 75 receiving yards in seven of the last eight games. He accounted for 41% of the team's receiving yards.

Gabriel Davis finished second on the team in targets (7) but with less than 25 receiving yards for the first time since Week 4. Isaiah McKenzie with back to back games with at least five catches.

Josh Allen played okay for his standards averaging 6.8 yards per attempt and completing 66% of his passes, and throwing two touchdowns in back-to-back games.

BUF's offense was incredibly efficient, converting 3rd downs (9/15) and scoring touchdowns on all of their redzone attempts (3/3). They scored on their first three drives.

## FINAL SCORE: BUF 24 - NE 10

1

Rhamondre Stevenson led the backfield with only ten carries and finished with over 50 yards for the first time in the last three games. He also led the team in targets with a 22% target share.

2

Marcus Jones leads the team in the league receiving yards accounting for 26% of the team's receiving yards, and is the only player to surpass 50 this game despite getting it mostly from one play.

3

Mac Jones struggles, averaging 5.4 yards per attempt and completing 61% of his passes. He has failed to surpass 200 passing yards in two of the last four games and has thrown more than one touchdown once in that span.

4

No WR or TE had a fantasy-relevant performance. Nobody surpassed five targets or 35 receiving yards this game, as the offense was inconsistent and had trouble moving the ball.

5

NE's offense looked awful after scoring their only touchdown following that drive with three straight three-and-outs before missing a FG to end the first half. They didn't score until after the two-minute warning.
