

# WEEK 11 QB STREAMERS

LOOKING FOR PLAYERS ON LESS THAN 55% OF ROSTERS IN YAHOO

1

## JIMMY GAROPPOLO - (SF) - @ JAX

Scoring two TDs in the past three games, he's been playing well recently despite struggling with inconsistency for most of the season. Facing a subpar JAX defense, I anticipate another run-heavy game script for the offense, limiting the upside and lowering the floor, which would typically make this a bad idea. However, if he can score a couple of TDs and doesn't turn the ball over, not a bad last resort.

## TREVOR SIEMIAN - (NO) - @ PHI

Since filling in for an injured Jameis Winston, he has back-to-back games throwing for around 250 yards and two TDs. This is with an uninspiring WR core, injured Kamara, and this offense has remained productive. Facing a decent PHI defense, I'm not too excited about starting him this week. However, there are no exciting options this week, so he's in consideration if you're looking to stream a "safer" QB.

## TAYLOR HEINICKE - (WAS) - @ CAR

I was considering putting Cam Newton here, but I'd rather go with Heinicke since I know what to expect. Despite throwing an INT in four out of the past five games, he has thrown about 250 yards and a TD in three consecutive games. There's some risk as this dangerous CAR defense can pressure him, but he's mobile enough to escape the pocket. I would only consider in superflex leagues.

## TUA TAGOVAILOA - (MIA) - VS @ NYJ

He played okay despite dealing with a finger injury, filling in for an injured Brissett in the third quarter and finishing with 158 yards and a rushing TD. Facing NYJ next week, after an extra couple of days of rest, he is one of the better streaming options since I believe his floor of 12-15 points is higher than some of the other options listed above while still possessing some upside if this game is high-scoring.
