

BREAKDOWN

While they are subjectively ranked within their tiers, it is helpful to approach the draft with tiers instead of only individually ranking players. These icons will help identify what type of player I believe they can be for your fantasy football team. Which could help you decide which player you want to target or avoid depending on their ADP.

GENERAL TIERS - LEGEND

	Diamond: The best of the best. Simple.		Star: Consistent set and forget (auto-start)		Solid: Nothing to be excited about but can play most match-ups		Decent: Play in favorable matchups
